EVERYTHING IS BEAUTIFUL  
FOR ECHO 72

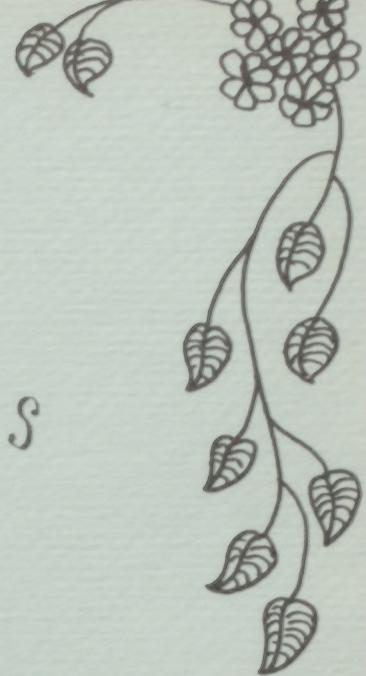

# *Preface*

For every hour that passes there is a memory made for us. Our high school years, they are things of the past, memories made with each passing hour. Now we are leaving. We have stepped one more stone in the path of our lives. But in our minds, forever, we hold memories. Everything is beautiful. A memory is beautiful.

"A thing of beauty is a joy forever;  
Its loveliness increases; it will never  
Pass into nothingness." —Keats

A memory is a joy forever . . .

MR. LEO J. YACONIELLO

## *Dedication*

When our class entered Enfield High School as Sophomores in 1969, it was a new and challenging experience for us. Mr. Yaconiello, coming to Enfield High School as its new principal was an equally, if not more challenging experience for you. Since that time, both you and our class have continued to grow with the spirit of the school, and you have become an integral part of our three years at Enfield High School. We have shared some wonderful and some difficult moments together, and yet your support for the students has never faltered. Thanks to you, Mr. Yaconiello, some vital changes have been made to make the students' life more enjoyable in a trying world.

It is with these thoughts in mind that the Enfield High School class of 1972 dedicates this yearbook to Mr. Leo J. Yaconiello with respect, admiration, and gratitude.

*Everything  
is  
beautiful*

*in its  
own way.*

*Like a starry*

*summer's  
night*

*Or a snow covered  
winter's day*

*Everybody's  
beautiful*

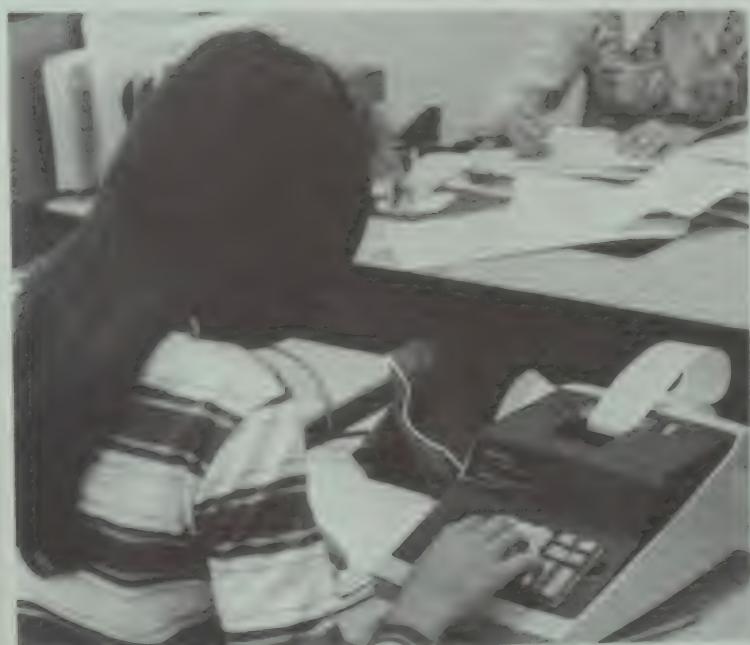

*In their  
own way.*

*Under God's heaven the  
world's gonna find a way.*

*There is  
none so blind*

*as he  
who will not see.*

*We must  
not close  
our minds*

*We must  
let our*

*thoughts  
be free*

*For every  
hour*

*that passes  
by*

*You know the world  
gets a little bit older.*

*It's time  
to realize that  
beauty lies*

*in the eye  
of the  
beholder.*

## RONALD LUMAN

### Class President

#### President's Message

The high school days we have enjoyed for three years have rapidly drawn to a close. In a few short years, the friends we have come to know so well at E.H.S. will be scattered about the country and perhaps even the world. Some of us will go on to college, some will begin their careers, some will join the military and still others will simply wander about. Whatever we do, we all will either be searching for a goal in life or pursuing one. If we can only remember our days at E.H.S. where we learned some of our most valuable lessons in life, it can help us to achieve our goals.

The class of 1972 is America's first group of young people that will vote in a Presidential Election just after graduating from high school. We must not take this responsibility lightly. We can help change what's wrong in America and help save what's right. We hold America's future in our hands—and we won't let go.

Ronald Luman

## GUIDANCE

The Guidance Department has three counselors: Miss Perdrizet, Mr. Hellstein, and Mr. zuZel. With mini courses this year there is a greater need than ever for counseling because of the increase of choices. With a seven day period, some students are taking an extra subject and these again call for decisions. The counselors are not only working with our present school population, but also with past graduates. Their services are available from morning until after school and they are available one week after school ends and one week before school starts with educational and vocational information.

"What do you mean which college has the most girls?"

The library contains over 11,000 books and a varied collection of filmstrips, tapes and phonograph records. Newspapers and magazines provide the latest information on National and World events.

Selected to appeal to young people, these library materials provide supplementary information on all the courses taught in the school from Home Mechanics to American Literature.

Working under the guidance of teachers and the library staff, students learn how to utilize these materials for their class projects and independent research.

## *ENGLISH DEPARTMENT*

The school year 1971-1972 has been charged with change. In an attempt to provide students with more choices, increased responsibility and greater curriculum involvement, a quarter credit English program was introduced.

As with all new programs, our curriculum will necessitate constant scrutiny on the part of teachers and students. Through mutual involvement we hope to create a dynamic program which will meet the needs and interests of increasing numbers of Enfield's student body.

The nature of education demands consistency in curriculum revision and evaluation. Our goal is to establish a program which will encourage and assist every student to develop his total personality.

The English department of Enfield High School would like to thank this year's graduating seniors for their assistance and patience throughout our initial era of change.

## *SOCIAL STUDIES LAB*

The basic philosophy of the Lab is for learning to come alive through the hands of the students. This is a place of innovative learning. The students in the Lab learn to work with the teachers; they share ideas and help each other with various projects. Students in the Lab also teach teachers and other students to use photographic equipment, tape recorders, and all types of technical aides. Working in the Social Studies Lab is a real learning experience.

## *SOCIAL SCIENCE DEPARTMENT*

The Social Science Department during the 1971-1972 school year was intent upon an evaluation of the existing course offerings. With the introduction of nine week courses on a Senior level and the expansion of such courses into the Junior year, the emphasis in the department has been on curriculum evaluation.

The department evaluation will key on student interest and suggestion. It is also hoped that the evaluation process will keep some light on the ability of the Social Science Department to reach the goal of providing avenues of self-realization and self-fulfillment for all students.

## BUSINESS DEPARTMENT

The Business Department offers a variety of activities and experiences for those planning to enter the world of business. # MATHEMATICS DEPARTMENT

In response to the growing influence of mathematics in society, the Mathematics Department of Enfield High School offers an expansive selection of courses in order to keep abreast of the changes in education. Additions to the curriculum this year include a Computer Seminar and Workshop course.

A Resource Center has also been established as a central location for all of the equipment and materials used in mathematics. More important, it provides the students with a conducive, yet informal, atmosphere in which to study and to experiment independently in mathematics.

With the realization that cultural understanding has become a major concern in all aspects of education, the Foreign Language Department at Enfield High has aimed at expanding its dimensions by offering an additional language and its cultural implications. In addition to Spanish, French, and Latin, students may now also study German. The approach in the modern languages is audio-visual, with special emphasis to film presentations of the dialogues in Spanish and French.

# HOME ECONOMICS DEPARTMENT

The Home Economics Department has instituted many changes this year. The male presence has had a positive effect on our program, and curriculum revision has enabled Home Economics to become a vital part of the students' program.

In addition to courses offered in Clothing and Textiles, Experimental Foods, Foreign Foods, Nutrition, and Interior Design we have implemented new programs in Child Development, Human Relations and Consumer Education. The nursery school laboratory, which is a valuable aspect of Child Development offers the student first-hand experience with children. The Human Relations course provides opportunity for student discussion and development of values and attitudes for existence in a changing society. Consumer Education exposes the individual to the demands placed on the buyer and provides a foundation for wise consumer choices. We feel our new program offers a more meaningful experience for our students.

# ART DEPARTMENT

This was a dynamic year in the Art Department. With the introduction of more half year courses came the opportunity for more students to exercise their creative abilities. Student art work was continuously on exhibit throughout our building from the library to the shop wing giving pleasure to the entire student body and staff. It's obvious that the Art Department at Enfield High School is developing the aesthetic expression of the individual in our contemporary mechanized society.

# MUSIC DEPARTMENT

The Music Department at Enfield High School encompasses three areas of specialization: instrumental, classroom, and vocal music.

The instrumental area, under the direction of Mr. Dana Hawes, includes the marching and concert bands, as well as a string ensemble and individual instrumental study. Several members of our band have continued their pursuit of a career on music, both in military musical organizations and in solo or group performances. We at Enfield High School could always depend upon our musicians to get us into the spirit of things, either at athletic events or during the holiday seasons.

The classroom curriculum is aimed to accommodate three different kinds of students: the general student, who may include the History of American Music (Music II) or Electronic Music in his studies; the college bound liberal arts and elementary education majors and the music minor, who would find the History of European Music and Counterpoint (Music III) both necessary and helpful; and the advanced music major, who would study Advanced Music under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino is the man in the director's chair when

our mixed and select choruses take to the risers for a performance. Mr. Autorino, an accomplished vocalist in his own right, selects music from a wide span of numbers, ranging from early sacred music to contemporary folk numbers. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice. Mr. Autorino also teaches the Senior Seminar "Music and Humanities" course and handles the general music curriculum.

The Music Department, which has been consistent in turning out fine music students with a college acceptance rate of 85%, has also received numerous awards and grants for its fine work. The Electronic and American Music courses have received government grants, and the latter had also been awarded a National Freedom Foundation Grant and the Downbeat Jazz Award. Compositions produced by alumni of our music department have been performed at Trinity College, the University of Connecticut, on the National Educational Television network and at the National Music Teacher's Conference.

# *PHYSICAL EDUCATION DEPARTMENT*

Mr. Carl Angelica  
*Director of Athletics*

The Physical Education Department of Enfield High offers a wide variety of activities. These activities include many individual sports such as archery, tennis, handball, paddleball, gymnastics, and track and field events. It also offers such team games as speedball, basketball, volleyball, softball, soccer and field hockey.

It is a main objective of the department to provide a wide background of activities that can be enjoyed after a student leaves Enfield High. The program also includes such intramural programs as flag football, basketball, handball, volleyball, softball, track and field, and tennis.

The staff at Enfield High wishes all seniors the best that the future has to offer and hopefully they will take with them the many experiences they have enjoyed in the Gymnasium.

"Get off my back!"

Mr. Joseph Lamana

# **WORK EXPERIENCE PROGRAM**

The Cooperative Work-Experience Program is an integral part of the Enfield High School Curriculum whereas it is a structured training program for the purpose of learning a marketable skill. Students attend their regularly scheduled classes most of the day, and are released from school to attend the work training station for the on-the-job phase of the program. They learn from the skilled people they work for and work with, and are compensated for their services. Cooperative Work-Experience includes areas of Office Occupation, Distributive Education, Health Careers, and Diversified Technical Fields.

Mr. Shawn Kelly  
Special Education

The Enfield High School driver and traffic safety department contributes its resources to introducing young people to the highway transportation system. Preparing its students to be informed and active supporters of sound traffic safety programs are the major goals of the department. Although driver and traffic safety education is only one force that influences operator behavior, it is probably one of the most powerful influences. The course, although it cannot change a student's "style of life," it can change his "style of driving."

# 1971 ENFIELD VARSITY FOOT

This year, the Enfield Raiders were one of the most spirited, hard-playing teams to come from Enfield High School in many years. Although the season was not that good in the win-loss column, they more than made up for it by showing great determination and teamwork.

In their first game, against East Hartford, the powerful Raider offense, led by quarterback Rich Fenton, rolled past the Hornets, gaining 241 yards for 6 touchdowns, totaling 43 points. The defense allowed East Hartford only 6 points.

With one victory behind them, they readied themselves for the first home game of the season with Norwich Free Academy. They played a tight game but the Wildcats proved too much for them.

The Raiders then traveled to do battle with New Britain. The Hurricanes were quite tough, but the Raider offense broke through for one touchdown to make the final score 7-24.

Although Enfield was handicapped because of injuries, they played a fine game against fourth-ranked Hartford Public. Coach Lamana cited the defense for a good job. The only touchdown was made on a fumble by a defensive player.

In the following game, it was Enfield against New London at home. The Raiders led most of the game but the Whalers came from behind to win by only 2 points, the final score being 20-18. Both the Raider offense and defense did a fantastic job. Mark Kelliher and Robin Sandler were cited for their excellent performance along with Co-Captains Gary Racine and Rich Fenton.

The next game, also at home, was played with Bulkeley High School. It was a very tight game with the Big Green leading until the fourth quarter. The final score was 20-15, Bulkeley.

Enfield then traveled to Groton to do battle with the Fitch Falcons. On the first touchdown, Walt Kukulka brought the ball 35 yards to the Fitch 40 yard line on a pitch out. Rich Fenton then passed to Walt on the next play for 35 more yards. This gave the Raiders a first and goal situation, and two plays later, Dennis Landry made the touchdown. Gary Racine kicked the extra point, giving Enfield a 7-0 lead. The second touchdown came on a Fitch fumble, with Ray Mancuso recovering the ball. Rich Fenton then brought the ball to the 3 yard line and then over for 6 more points. Harry Wagner made 6 pass receptions and Tom Cope and Walt Kukulka were cited for making a great defensive save in the closing minutes of the game. Fitch made two touchdowns and kicked 1 extra point to make the final score

15-13.

The final game of the season pitted Enfield against undefeated Weaver High School. The Raiders scored first on a safety in the second quarter. The Beavers kicked from the 20 yard line and then recovered a fumble and scored a touchdown. Weaver kicked off to Enfield and six plays later, the Raiders scored a touchdown. Enfield held the 8-6 lead until the fourth quarter when the Beavers scored two more touchdowns and one conversion. Enfield beat Weaver every place but the scoreboard, outgaining them 333 yards to 155, and stunned the Beavers on every play.

Many of the seniors, such as Ray Giguere, Roger Bousquet, Bill Cross, Bill Landry, Mark Baronas, and Ron Bray did not receive much recognition because of the positions they play, but they are, never-the-less, spirited, hard-hitting players.

Despite their 2-6 record, the Raiders played their best and showed fine sportsmanship in all games. The defeats were heartbreaking to both the team members and the fans, but the Big Green Raiders took each one in stride and refused to give up. The fans stood behind the team and backed them to the very end. With each game, the spirit became stronger and the desire to win greater and the whole team rallied together towards one common goal—VICTORY!

## VARSITY CHEERLEADING

Mrs. Kathleen Bromage

Many people do not realize the work that goes into cheerleading. Behind the glitter and beyond the spotlight that the cheerleaders always seem to have, goes a lot of hard work. Practices, sore muscles, games, dry throats and being called on for all the endless "little" duties that no one ever hears about except the cheerleaders are just a few examples of this.

Under the direction of the tireless Mrs. Kathleen Bromage, the cheerleaders are always there to cheer for the school. There's no other feeling quite like whipping in the Fight Song after scoring the touchdown, goal or basket that puts us ahead.

## FIELD HOCKEY

The Girl's Varsity Field Hockey team ended this year's season with a record of 5 wins, 5 losses. With the loss of the senior players from last year, this year's season was devoted to rebuilding for future years.

The seniors provided the team with experience. Charlene Henry played a very strategic position at center halfback. Chris Zawada played right halfback, another position requiring speed and agility. Pam Jerome and Marie Fella played on the forward line providing for some real excitement by scoring goals. Nancy Stec helped them out, too. Laura Smallidge and Mary Pomerleau were the two seniors whose soul duty was to defend against any oncoming goals, as they made up the left and right fullback positions.

The girls started out the season with three straight wins over Longmeadow, Fermi and Suffield High Schools. The scores were one to

nothing over Longmeadow, three to nothing over Fermi, and three to one over Suffield. Then came the heartbreakers. They lost to South Windsor once, East Windsor twice, and Bloomfield twice. All these games were hard fought and close.

The girls played a very difficult schedule, and their record proves that they did well. We, the graduating seniors, would like to express our sincere best wishes to our teammates with great hope for their next season.

The 1971-1972 Enfield High School Soccer Team, under the coaching of Mr. William Teed, has been one of the most successful soccer teams Enfield has seen. Led by Co-Captains John Blomstrann and David Wright, the only seniors on the roster, the Raiders established an outstanding record of seven wins and two losses to place second in the Capital District Conference and an overall record of ten wins and four losses to place thirteenth in the state.

Their greatest moment came when it was announced that our Raiders had qualified for the Class A finals in the state tournament. Although eliminated from the finals by fourth ranked New Canaan in a thriller in which the Raiders came out on the short end, three to nothing, the Class of 1972 will never

forget the fine performances by several of our underclassmen, such as Bob King, Jim Lynch, Don Welsh, and our fine goalie, Bill Miller. Also adding to the Raiders' threat were such players as Bruce Torrant, Rick Francolini, and Jim Peterson.

Senior Co-Captain John Blomstrann was the Raiders' leading scorer this season with seventeen goals and last year shattered an Enfield record by scoring five goals in one game. David Wright, the other senior co-captain, was the second highest scorer this year with six goals. Thanks to Coach Teed's hard work, and a lot of teamwork and practice on the team's part, the 1971-1972 Enfield High School Soccer Team has given us something to be proud of and a lot of fine memories.

## ENFIELD HIGH SCHOOL BASKETBALL TEAM

This year's Enfield Raider Basketball team did a fine job on the courts. Even though disabled by injuries, the team's performance can still be called "great." In the first game of the season, the Raiders came on strong, tallying up a 61-59 victory over the Fitch Falcons. They also played a winning game against Springfield Tech in a non-league game. Although these were the only victories, our boys fought hard and gave some of the top teams a good fight, losing some by just a few points.

Senior Rich Fenton played well in the beginning of the season, but was lost in the middle of the season because of an injury. Captain Dave Ziemnicki, as high scorer, carried the team with help from junior players Peter White and Steve Binette.

Despite the losses, the team's morale was very high and the fans remained loyal by attending the games and cheering for the Raiders, win or lose. As a team, they played fair and demonstrated good sportsmanship both on and off the courts.

The Girls' Varsity Basketball Team had another fantastic season this year. They picked up where they left off last year and ended the season with a record of 11-3. Completing her first successful year as the girls' coach, Mrs. Kathleen Bromage worked her team through each game with tremendous results. It truly was a rewarding season for all concerned.

Senior members on the team for their third year were Charlene Henry, Laura Smallidge, and Pam Jerome. Second year Seniors were Marian Dipple and Mary Pomerleau. Outstanding underclassmen who also aided to the team's victories were Kate Mullen, Jean Pazik, and Linda Crouse. This season's two highest scorers were Marian Dipple, voted most valuable player, with 172 points, and Charlene Henry with 168 points.

Team spirit certainly would not have been the same without Juniors Anita Grob and Kim Prentiss, and Sophomores Gail Marks, Sue Martin, Marti Palmer, Sherry Smith, Patty Marcotte, Ann Mullen, Nancy Beauregard, Liz Beaupre, Sue Bennis, and Jeanne Kilian.

The teams the girls played were very competitive. They played such teams as Suffield, South Windsor, Granby, Newington, and the new Fermi team. Many of the games proved to be very close as shown by the scores on the next page.

This season's managers included Senior Nancy Stec, and Sophomores Diana Healy, Debbie Yahne, Jackie Thresher and Mary Silva. Accurate score keeping and record keeping were their main jobs.

Departing Seniors wish the team success in the future.

# APRIL 3

"We've Only Just Begun"—a popular love song that described our thoughts on the night of April 3, our Junior Prom. Greeted at the door by Host and Hostess, John Jacobs and Maureen Tully, we entered with "white lace and promises" into the lively world of music by the Melotones. Twelve o'clock came all too soon and we left with unforgettable memories of our first prom, but we knew that "We've Only Just Begun."

## WINTER WORLD OF LOVE

"You're out of step, Dave."

"Can I have this dance?"

"Now we caught you, Mr. Lyons."

Host and Hostess Dave Vella and Sandy DeCaro

It was January 22, and a beautiful night for a prom. The prom was being held for the senior class at the Willow Glen. As each couple entered, they were greeted by the host and hostess, Dave Vella and Sandy DeCaro, and received charms and favors as mementos of the prom. The senior class wishes to thank the prom committee and the faculty advisors for giving their time and effort to make the event such a success.

"I know she's the wrong partner, but what can I do?"

"Come on chicken, you can do it."

"M-M-M-M, what's that after shave you're wearing?"

Mr. and Mrs. Leo Yaconiello

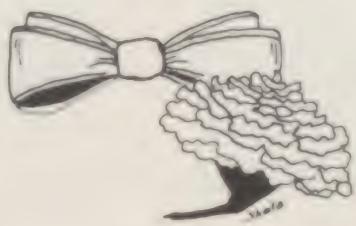

"Look what I found in the coat room!"

"Choo-choo!"

"What's the matter Rich, arthritis?"

"Follow the leader."

## AS SCHOOLS MATCH WITS

Last November, Enfield High School made its second appearance on "As Schools Match Wits," and finished with a fine two and one record. Tryouts began in October and from a field of eight students the starters were selected. On the starting panel were Larry Avery, Rob DaSilva, Julie Kozaczka, and Harlan Curtis. They made their first appearance in competition with Classical High School, which they defeated. The next week, Enfield High defeated Ware High. With this win, Enfield became the first high school to win two games in a row this season. Along with the committee, the panelists are very grateful to Mr. John Talbot, the faculty advisor, who devoted a great deal of time and effort in order that Enfield High could again appear on "As Schools Match Wits."

Enfield High panelists Larry Avery; Rob DaSilva; Julie Kozaczka; and Harlan Curtis, Captain; challenge Greenfield High School.

The Enfield High School Band, under the direction of Mr. Dana Hawes, has again completed a successful year. Along with the Majorettes and the Color Guard, they entertained us at the half-time of the football games with their lively style. They have also helped the cheerleaders at the basketball games as well as participating in the annual Christmas concert. Enfield High School is truly proud of such a spirited and lively group of people.

## MIXED CHORUS

The Enfield High School Mixed Chorus has been an active group this year. Through the use of funds raised by sponsoring tag and candy sales, the chorus has taken on a smart new look with the addition of choir robes. The annual Christmas presentation held this year, entitled "Tis the Season," was a great success. The highlight of the year's activities was an exchange concert with Cranston High School West of Cranston, Rhode Island.

The chorus has undergone numerous changes within recent years. Now numbering close to forty-five, the chorus has performed a wide repertoire of music, including selections from "Jesus Christ, Superstar." The Director, Mr. Rocco Autorino, is completing his second year at Enfield High and his professional experience and influence have transformed our mixed chorus into a fine musical organization.

## TICKER

The past year, Enfield High School has seen a revival of the school newspaper, the Ticker. Headed by the editor-in-chief T. Patrick Flanagan, the first issue proved to be a great success. Due to the fact that the Ticker was patronized by many advertisers, the staff was able to put out a 12 page edition. It was well-received by the students and faculty.

This year, the group presented a comedy, "F.L.I.P.P.E.D." and a one-act play, "The Case of Humanity vs. Pontius Pilate." Both the cast and the crew worked hard during the rehearsals and performances to make each production a success. Every member strived to live up to the Lamplighter's motto: "Think big, work hard, and have a dream."

## *EPILOGUE*

"May I have your attention, please? Seniors are reminded that they should no longer report to their homerooms. There will not be any locker cleanups on any day hereafter. The cafeteria will not be available to seniors any longer due to circumstances beyond our control. The passing of time won't be announced by the ringing of bells anymore. There are openings available for any senior wishing to participate in the world. Experience is not necessary, but you must be willing to learn. The Senior Class is sponsoring a graduation this year. All seniors must attend. Let's see a large turnout for this annual event. Thank you, and have a good day."

# Glass History

"Everything is Beautiful"—memories and experiences, new people and privileges, friends, and the excitement we all shared as we entered Enfield High School.

Because of the division of the Class of 1972 between Enfield High School and Enrico Fermi High School, the Enfield High Class of 72 didn't become a unified class until our junior year. It was last year that we elected a really hard working student council. Selected as president was Ron Luman; as vice-president, Rich Santanella; secretary, Leah Porcello; treasurer, Jerry Sullivan; and as our representatives, John Blomstrann, Sandy DeCaro, Donna Eaton, Pat Gwiazda, Judy Korona, Marge Matuck, Lynn Messenger, Judy Whittle, and Dave Wright.

With the opening of school in September came the fall sports season and football. Representing the Class of 72 on the field were Walt Kukulka, Gary Provencher, Ray Giguere, Gary Racine, Ron Bray, Mark Baronas, Roger Bousquet, Bill Landry, Rich Fenton, Robin Sandler, Mark Kelliher, Dennis Landry, Harry Wagner, and Tom Flanagan. Fall meant soccer, too, with Dave Wright and John Blomstrann booting goals against tough competition, and with John shattering a school scoring record. Cheering our Raider teams on were Juniors Donna Salerno, Joanne Grenier, Tara Conley, Pam King, Mary Ellen O'Brien, Sheila Donnelly, and Kathy Foley.

Not to be outdone by the men, our girls' field hockey compiled a winning season with Juniors Pam Jerome, Mary Pomerleau, Charlene Henry, and Laura Smallidge in the line up. And, just to prove that they, too, could play football, our junior girls' Powder Puff football team was narrowly defeated by the seniors in their first game.

With the football season in full swing, so was our Enfield High Raider Marching Band, with only three juniors, John Jacobs, Bob Vogel, and Tom Flanagan, participating in this organization.

Another tradition at Enfield High was continued as the Lamplighters Drama Guild presented the Rodgers and Hammerstein's musical, "South Pacific." The leads were portrayed by Robin Willard of Enfield, Patricia Sheehan of Fermi, and Terry Fitzsimons of Enfield, the latter two to be selected as class actress and actor of their respective schools.

With winter fast approaching, the sports scene was moved indoors and the highlight of the winter sports season was, traditionally, basketball. Dave Ziemnicki, Rich Fenton, and Bill Landry were starters for the varsity. Also playing for the junior varsity was Bill Landry, John Blomstrann, Rob DaSilva, and John Tamashaitis. Cheering for the JV's were Marv Ellen Hunt, Lynn Moores, and JV Captain Mary Meyers. The feminine counterparts of the basketball team coasted to an undefeated season behind the scoring of Juniors Mary Pomerleau, Charlene Henry, Marian Dippel, Laura Smallidge,

and Pam Jerome. On the mats for the varsity wrestling team were "muslemen" Tom Duray, Ray Giguere, Fred Setaro, Tom Pazik, Tony Ravosa, Doug Crank, and Jerry Sullivan. Taking to the ice for the varsity hockey team were John Jacobs, Jim Gagne, and Dave Disciacca.

A new sport was introduced at Enfield High last year. "Donkey Basketball" gave the juniors an opportunity to encounter the seniors in competition. The junior team, consisting of Larry Avery, Walter Kukulka, Gary Provencher, Mike Daly, Mark Gallant, Robin Sandler, Rich Santanella, John Blomstrann, Ron Luman, Bill Landry, and Dave Wright, proved victorious over the senior boys. Cheering the boys on were Juniors Cindy Gebo, Dawn Kresge, Debbie Bartholomew, Jackie Beaudry, Reggie Pelletier, Ellen Theriault, Donna Martin, Cindy Kelly, Debbie Stevenson, Lynn Messenger, Sue Morin, Pam Prior, Elaine Smith, Marianne Kulina, Rosanne Kulina, Janice Meyer, and Lynn Bascom.

The coming of spring meant the opening of the social season at Enfield High School. A fashion show, "Staging Spring," presented by G. Fox & Co., was held at Enfield High School under the supervision of chairman, Marge Matuck.

On April 3, 1971, one of our most cherished memories was created as we held our junior prom, "We've Only Just Begun." John Jacobs and Maureen Tully were host and hostess for the evening. General chairman for the prom were Leah Porcello and Mary Koseian. Chairmen for the various committees were Mayreen Tully, decorations; Mark Gallant, publicity; Tom Gracewski, refreshments; Marie Cunningham, charms and favors; and Terry Fitzsimons and Rich Santanella, co-chairmen of the band committee.

Scholastically representing Enfield High School at our first match on the televised show, "As Schools Match Wits," were juniors Mary Koseian and Harlan Curtis.

Once again, a new season meant more sports, and this time, baseball and track. Playing for the Raiders' baseball team, whose fine record enabled them to go on to the state championship playoffs, were Juniors Dave Wright, Mark Kennedy, John Blomstrann, Walt Kukulka, Rich Fenton, and Jack Taylor, who was also selected as an all CDC pitcher. On the track team, in the field events for Enfield was Ray Giguere, and on the cinders, Tom Pazik. Slugging it out on the volley ball court were juniors Rosanne Kulina, Charlene Henry, and Christine Zawada. Out on the softball diamond were Charlene Henry, Laura Smallidge, Pam Jerome, and Christine Zawada.

Selected for scholastic honors were Nancy Wing, receiving the Literary Award; Dave Vella, receiving the Rensselaer Polytechnic Institute Science Award; Walt Kukulka, the Yale Book Award; Mary Koseian, the Connecticut Association of Women Deans and Counselors'

Award; Leah Porcello, the Daughters of the American Revolution Award and Girls' State Representative; and Ron Luman and Tom Flanagan, selected as Boys' State Representatives.

We presented the departing Class of 1971 with their farewell prom. Dale Fortier was the general chairman and Ron Luman and Karen Callahan acted as host and hostess as we led the graduating class up "The Long and Winding Road."

### YOU KNOW THE WORLD GETS A LITTLE BIT OLDER

Anticipating a large task ahead of us in our senior year, we reelected our president, Ron Luman and our secretary, Leah Porcello, and elected for the first time Dave Vella as vice-president, Sandy DeCaro as treasurer, and Brenda Wheeler as historian. Elected as representatives were Larry Avery, Karen Callahan, Donna Eaton, Dale Fortier, Cindy Kelly, Judy Korona, Jack Taylor, Rich Santanella, who was also elected president of the Student Council, and Maureen Tully, who was elected vice-president of the Student Council.

Fall meant sports again, and football co-captains Gary Racine and Rich Fenton led the senior members of the squad, Walt Kukulka, Gary Provencher, Ray Giguere, Ron Bray, Mark Baronas, Roger Bousquet, Bill Landry, Robin Sandler, Dennis Landry, Harry Wagner, and the Most Valuable Player Mark Kelliher, in their last year of league competition. The soccer team, led by Co-Captains Dave Wright and John Blomstrann, the only seniors on the team, was probably the most successful ever in Enfield history. Led by high scorers Dave and John, the Raiders gained a berth in state tournament play.

Providing unfaltering spirit for our men in green were Senior Cheerleaders Donna Salerno, Tara Conley, Sheila Donnelly, Mary Ellen Hunt, Mary Meyers, and Co-Captains Pam King and Mary Ellen O'Brien. Led by the Tri-Captains Mary Pomerleau, Charlene Henry, and Laura Smallidge, plus the remaining two seniors, Pam Jerome and Marie Fella, the girls' field hockey team played one of their consistently fine seasons. This year, in the third annual Powder Puff game, our senior girl's squad proved victorious, crushing the juniors behind the quarterbacking of Marian "Joe Willie" Dippel.

This year, there was scholastic competition in the fall as well as athletic. Our "As Schools Match Wits" team, which included seniors Rob DaSilva, Larry Avery, and Harlan Curtis, was the first school this year to make three appearances on the show, scoring two wins and one loss

in what was only our second experience with the show. Alternate players included Ron Luman and Leah Porcello.

Our senior year also meant the revival of the "Student Ticker," thanks to the hard work of editor-in-chief, T. Patrick Flanagan.

The Lamplighters were hard at work again on a play entitled, "FLIPPED." Guild president was Chrystal Carr; vice-president, Kim Wheat; and historian, Dan Johnson.

Winter and basketball are synonymous at Enfield High Playing their last games for Enfield were Rich Fenton and captain Dave Ziemnicki. The girls' varsity basketball team was also active again. Led by Captain Marian Dippel, Charlene Henry, Mary Pomerleau, Laura Smallidge, and Pam Jerome, the girls really put it all together.

January 22, 1972, was an occasion which caused many couples to brave the cold and warm their hearts. The Willow Glen came alive with our senior prom, "Winter World of Love." Dave Vella and Sandy DeCaro were host and hostess for the evening. General chairmen for the prom were Leah Porcello and Karen Callahan. Co-chairman for decorations were Nancy Wing and Cindy Edgar. Chairman for the band committee was Dale Fortier; charms and favors, Pam King; and publicity, Brenda Wheeler.

Once again, Donkey Basketball came to Enfield. The senior team of Larry Avery, Walt Kukulka, Jack Taylor, Mike Daly, Mark Gallant, Rich Santanella, John Blomstrann, Ron Luman, Doug H. S. Braley, Bill Landry, and Dave Wright, feeling charitable as upperclassmen should be, allowed the juniors to narrowly defeat them. Cheering on our gallant men as they made this sacrifice were Dawn Kresge, Debbie Bartholomew, Debbie Stevenson, Francine Lazar, Brenda Wheeler, Elaine Smith, Debbie Morin, Janice Rumill, Debbie Wyman, Karen Dugas, Pat Gwiazda, and Leslie Hall.

Giving up study halls and struggling to meet deadlines in order to make this book possible was the hard working yearbook staff. Editor-in-chief was Mary Koseian, assistant editor was Pam King. Karen Dugas was editor of the opening section; Mary Meyers, editor of the senior section; Paula Holland, editor of the faculty section; Sheila Donnelly, art editor; Mary Ellen O'Brien, activities editor; Nancy Wasilewski, sports editor; and Deb Smith, business editor. Other senior members of the staff included Nancy Wing, Michele Turgeon, Mary Pomerleau, Janice Chamberlain, Joanne Grenier, Marian Dippel, Lynn Moores, Carol Soucy, Kathy Dwyer, Debbie Bartholomew, Linda Rinaldi, Lynn Bascom, and Jane Zawistowski.

It is said that things have a way of growing more valuable with age. This is true of many things, and as each year passes by, we shall, in time, come to cherish the memories, both bad and good, and appreciate the wonderful moments shared with our friends.
